Marks :- 80

Section – A

❖ Read the extracts and answer the questions:

10

But that didn't happen. So we raised the demand in 1982 and have been continuously asking for it, but the railways told us that they did not have funds. So, finally we decided to craft our own destiny," said Hukachand, a member of the committee.

1. What did the railways tell them?

2. When did the people raise their demand?

"You man sitting at home I can command the robot in the city market?" asked Prem Chopra.

"It operates within a limited radius of a kilometer. By the way, this one is called Ram Singh – 070," the salesman explained.

3. Does the robot obey command?

4. At what limit does the robot operate?

The angel shook his head slowly and said, "A mighty impossible task, I suppose six pairs of hands? No way!"

"No, these hands are not a problem for me. It is the three pairs of eyes that the mothers have to have." Lord looked puzzled.

"Oh, so you are creating a standard model of mothers? But three pairs of eyes? What for?" the angel got interested.

"One pair that sees her children through closed doors. Another pair to look at the children and say: 'I understand and I love you' without uttering a word. And the third pair to see all secret things without opening them."

5. What is the problem of the Lord?

6. What is the function of the third pair of eyes?

The second stage of learning was more difficult. It was also based on the sense of touch. Miss Sullivan would speak a word, and ask me to touch her lips and throat slowly. I learnt to speak through the movements of the lips and the vibration in the throat. When I uttered my first word, it gave me boundless delight. Now I started talking with my toys, stones, trees and birds in the garden. I felt amazed and delighted as my sister ran to me when I called her, and my dog obeyed my commands. I was able to speak. It was a miracle!

7. What was the second stage of learning based on?

8. When Helen uttered her first word, What did it give her?

Palakkad's district library stands tall as a beacon to encourage women's empowerment through classes, clubs, workshops and reading rooms. And then, there are the books, which will provide the women the strength they need to make good use of these opportunities.
